

Student Name: _____ **Class:** _____ **Date:** _____

Before watching the *Basics of Firearm Safety* video, or exploring the website, review these questions and look for answers during the video.

1. How does a hunter safely load and unload a firearm?

2. Why is it critical that hunters match the ammunition to their firearm?

3. How you carry a firearm is very important. Sketch the six different ways you can carry a firearm.

4. Analyze your drawings. How would four hunters in a horizontal line carry their firearms so that the muzzles are pointing in a safe direction? Sketch below.

5. _____ is the area in which a hunter can shoot safely, which is _____ degrees in front of them.

6. What is a hunter certificate? And what are the steps someone can take to earn one?
