Before watching the *Techniques to Walleye Fishing* video, or exploring the website, review these questions and look for answers during the video.

1. What kind of water do Uncle John, Jack, and Janellyn target to catch walleye? Why?

2. How do planer boards help anglers catch more walleye?

3. What characteristics should walleye anglers look for in the rod and reels for trolling?

4. What are the advantages to trolling for walleye?

5. What options are there for live bait that walleye anglers can use?

6. Why is wind or weather an important factor for walleye?

7. Why can anyone fish for walleyes?
