Before watching the *Questing for Pheasants* video, or exploring the website, review these questions and look for answers during the video.

1. What are some safety techniques to practice while pheasant hunting?

2. What should hunters consider researching about their wild game before hunting?

3. What are some strategies to hunting for pheasants?

4. What positive experiences can families and friends take away from hunting?

5. What are the benefits to eating pheasants and wild game for your health?
6. How do hunters contribute to wildlife conservation?

7. Pick a game bird recipe you would like to try with your family: ___________________________________________________

Based on what you have learned ... Write a short paragraph on the benefits to harvesting and consuming that game bird for:

- Your Health
- Your Family
- Your Environment
