Before watching the video or exploring the website, review these questions and look for answers during the video.

- 1. When it comes to fishing, why is it important to pay attention to the weather?**
- 2. What does a bright sunny day mean for your fishing adventure?**
- 3. Do you think fish prefer warm water or cool water... or somewhere in between? Why do you think that is?**
- 4. When you catch a fish, what is one of the benefits of putting them back in the water?**
- 5. What makes a rainy day an ideal day to catch fish?**
